## A SOURCE OF FUNDING TO IMPROVE THE PARK

The approval of a proposed real estate development project in Sherman Oaks will generate approximately $1.7 million in Quimby Funds that would be used to improve local recreational facilities—including the Van Nuys Sherman Oaks Memorial Park (VNSO). The development project is called il Villaggio Toscano, and would be built in the empty lots, north of the Sherman Oaks Galleria, at Sepulveda and Camarillo.

## HOW YOU CAN HELP

**Must Act Now – Before Tuesday, August 13th**

The LA City Planning and Land Use Management (PLUM) Committee is meeting on Tuesday, August 13, 2013, to consider the il Villaggio Toscano development project.

HELP BY EMAIL

- ***Email:*** Councilmember Tom LaBonge and the members of the Los Angeles City Council Planning and Land Use Management (PLUM) Committee:
  - Tom LaBonge email: Councilmember.LaBonge@lacity.org
  - Jose Huizar email: Councilmember.Huizar@lacity.org
  - Mitch Englander email: Councilmember.Englander@lacity.org
  - Gil Cedillo email: Councilmember.Cedillo@lacity.org
- ***Email Subject***: il Villaggio Toscano – I SUPPORT IT
- ***Email Message:*** I support the il Villaggio Toscano development and the use of the generated Quimby Funds to improve the soccer fields at Van Nuys Sherman Oaks Memorial Park

AND TO PARTICIPATE IN PERSON (this is a good civics lesson if you want to bring your soccer player with you)

- Attend the PLUM meeting and voice your support for the il Villaggio Toscano project and using the Quimby Funds for the VNSO park. If you bring your soccer player with you, have them dress in a soccer jersey. Details of the meeting are as follows:
